With the new market tax credit financing it has a compliance period of 7 years. This agreement was made on April 28, 2016. This agreement resulted in two notes; Note A was for $2.6 million, and Note B was for $898,688, for a total of $3.5 million. At the end of the 7-year period, what the industry calls a unwind is done and the loan would be paid off or refinanced. Mr. Swenson and Mr. Tappe presented 3 options to take care of the loan.
