Part 1. Policy Background and Purpose

White Earth Tribal and Community College (WETCC) students have the right to know the criteria and assessment methods used for grading in each course, and to ask instructors for an explanation of any grade received. Students also have the right to appeal a final grade that they perceive to be unwarranted or is in violation of the prescribed course criteria.

Part 2. Definitions

Informal Appeal – a discussion with a faculty member to ask about the criteria which resulted in the grade

Formal Appeal – process to follow when the informal appeal did not resolve the matter

Part 3. Responsibility

Faculty has responsibility to assign all grades in all courses taught and provide constructive feedback in a timely manner.

Students have the responsibility to follow the prescribed process when appealing a grade.

Registrar is responsible for recording any grade changes issued by Academic Dean or President.

Academic Dean is responsible to review all formal grade appeals and communicate decisions to all prescribed parties.

President has responsibility to review and issue a final decision when Academic Dean’s Grade Appeal decision is grieved.

Part 4. Policy

Students have the right to ask faculty for an explanation for any grade received and to appeal a final course grade, first informally, then formally.
All grade appeals must begin with an informal appeal to the Faculty who assigned the disputed grade, as Faculty retains the responsibility of assigning all course grades.

If the informal appeal does not resolve the matter, student may initiate a formal appeal, by submitting a Grade Appeal Form to the Academic Dean, who will review it and return his/her decision.

If the decision of the Academic Dean is disputed, the appeal will be forwarded to the President, whose decision will be final and binding.

Note: A grade assigned by an instructor will not be changed unless there is clear and convincing evidence that the instructor’s grading procedure was biased, did not reflect sound educational practices, or was inconsistent with the course syllabus.
