

Gigitigaadaamin mashkawiziiminan

Seed Variety: _____
Common Species: _____
Common Name: _____
Scientific Name: _____
Plant Growth Habit (Form) _____
Plant Size: _____ Days to Maturity: _____
Fruit Color: _____ Fruit Size: _____
Disease Resistance: _____
Potential of Cross Pollinator/Proximity: _____

Suggested Uses: _____
Germination % _____ Last Year Grown: _____
Seed Source: _____
Location: _____
Notes/Stories: _____
